Ministry Opportunity: Adult Ministry (Cantonese, full-time)

Zion Alliance Church has immediate ministry opportunity in the area of Adult ministry in its Cantonese-speaking congregation of over 250 people. The candidate will work closely with a pastoral team and a dedicated lay leadership team. And the candidate must have some experience serving adults in the past.

Vision

Our vision is to equip and develop the congregation into a comprehensive ministry of all age groups, reaching out to the ethnic diversity of the Canadian mosaic.

The Responsibility

For an experienced candidate, he or she will be entrusted with the nurturing and development of the adult congregation, which included leading small group ministry, caring/pastoring for the adults, teaching/preaching ministry and co-working with other fellowships on adult community outreach.

The Candidate

Besides appropriate training and experience, applicants should have a good appreciation of the cultural dynamics of ethnic Chinese in Canada and strong commitment to God's mission for the local church. The candidate should be a strong team player, at ease to connect with people.
